Wexford Veterinary Pet Hotel requires proof of all required vaccinations including Distemper, Rabies, Bordetella and Canine Influenza. It is still possible for vaccinated pets to become ill with an infectious condition. This is not due to any circumstance or condition of the Grooming Salon and you agree that you will not hold Wexford Veterinary Pet Hotel liable in the event that your pet becomes ill with an infectious condition during or after it's stay at the Hotel.

Wexford Veterinary Pet Hotel is not responsible for allergic reactions resulting from the manufacture-recommended usage of any products. The Pet Hotel is not responsible for any pre-existing medical conditions or the aggravation of those medical conditions, such as heart disease, arthritis, obesity, infections, or any other medical problem that may be affected by grooming. I release Wexford Veterinary Pet Hotel from any and all liability for any skin conditions or injuries that might be revealed, aggravated, or worsened by the agreed upon grooming services.

If Wexford Veterinary Pet Hotel deems that your pet is not healthy enough to be groomed we have the right refuse/discontinue services. An Express Groom is available if you feel that your dog would benefit from being in the Pet Hotel for a shorter period of time. If your pet has a pre-existing or a newly diagnosed condition that The Wexford Veterinary Pet Hotel is not aware of please let us know so we can be as safe as possible with your pet. If your pet has any known allergies please make us aware of those as well.

The health of each pet is our number one concern, for that reason your pet may be tethered during the grooming service. If we feel the safety of your pet or the grooming professional is in jeopardy, a muzzle may be used to finish the service requested. If unable to safely finish the service requested we have the right to discontinue service.

If your pet should become ill during its stay, we will attempt to contact you and offer a medical treatment plan. Any appropriate treatment/medications will be charged accordingly. If any serious or emergency condition develops, all efforts will be made to contact you before initiating any appropriate treatment. If contact is unavailable or circumstances dictate medical intervention, treatment will be initiated at a doctor's discretion.

I hereby understand and authorize grooming services by The Wexford Veterinary Pet Hotel. I understand that I am assuming full financial responsibility for all services rendered, and that payment in full is due at the time of release.
